TRAVEL TREASURES 2018
SEE AMERICA COAST TO COAST

Dear Friends,

What a change time makes in modern day travel. Growing up in the 1960's and 70's my parents seldom ventured beyond our hometown of Louisville, Ky. On occasion we would visit some relatives in Portland, Tn. but most often Eastview, Ky. was our "vacation" destination of choice. There my Dad's parents lived on a farm with plenty of fields, woods, clean springs to drink water from, and barns to play in. In the evening we could watch westerns on the black and white TV screen. I could only dream of one day possibly getting to go out west. Guess what? This year my wife Donna and I did just that. We went on the Black Hills-Grand Tetons-Canadian Rockies Tour in August. Words can't describe how great this trip was. The wonder and beauty of God's grace through this North American creation, what has sometimes been called breathtaking, is no joke. Lots to see and do, if ever possible give this tour a try. It was beyond my dreams. Our desire for you (our Shockey friends) would be to look through this 2018 catalog and maybe find a tour of your dreams and become venturous enough to fulfill it. Life is too short not to.

Travel is easy, exciting, and relaxing with Shockey Tours. We can provide you with a worry-free vacation, one that offers you the comfort of having a trained professional guide to care for you within the security of a group, and our professional drivers and comfortable coaches will ensure you the most pleasant trip possible. Spring In The South

Charleston - Savannah - Jekyll Island

March 22-29 Tour # 2018301 8 Days
Double: \$1559 Triple: \$1369 Single: \$2309 Deposit: \$300

Come with Shockey Tours to experience some of the most magnificent scenery in the country. The air itself is perfumed with the smell of azaleas, wisteria, dogwoods and magnolias as we visit the south's most impressive cities and gardens.

Day 1 - BILTMORE HOUSE - Our journey takes us south through Tennessee and on to Asheville, North Carolina, where we will tour the beautiful Biltmore House. This palatial mansion was first opened on Christmas Eve 1895 and contains 255 rooms. We overnight in Asheville, North Carolina.

Day 2 - BOONE HALL PLANTATION - This morning we make our way to historic Charleston, South Carolina. Charleston is America's most beautifully preserved architectural and historic treasure, with a rich, 300-year heritage. After lunch, we will tour Boone Hall Plantation where we drive through the famous "Avenue of Oaks." There are several original buildings on the grounds that we can visit -- slave cabins, a smokehouse, and the cotton gin house. Our hotel accommodations for the next two nights will be in Charleston, South Carolina.

Day 3 - CHARLESTON, SOUTH CAROLINA - This morning we depart our hotel for a full day of touring in the Charleston area. We begin with a downtown tour of Charleston with a local guide. Charleston is a melting pot of culture, languages and nationalities. Many of the early settlers came to the area for the economic opportunities. At the open-air Old City Market, there are vendors and artisans who still demonstrate these traditional crafts. After our city tour, we'll have time to stroll through this remarkable marketplace. Be sure to try the benne seed cookies or perhaps take home one of the hand-made sweet grass baskets. Next, we visit Old Fort Moultrie on Sullivan's Island. The current structure was completed in 1809 and is the third fort on this site. The museum inside the fort tells the story of American seacoast defense. Afterwards, we return to our hotel for a free evening. Overnight same hotel.

Day 4 - MAGNOLIA GARDENS - SAVANNAH, GEORGIA - This morning, we depart our hotel for a short drive to the beautiful Magnolia Gardens, the oldest continually planted garden in America. We will take the Nature Train ride through the outskirts of the plantation and swamp. During this ride you will see blackwater cypress, exotic shrubs, and native wildflowers. Next, we journey to charming old Savannah, Georgia. This is

one of the south's most romantic cities with its buildings dating back to pre-civil war days. On his fiery rampage to the sea, General Sherman spared the city of Savannah. Lucky for us, we are able to view first-hand the beauty and flavor of the old south. This evening, you will be at your leisure to stroll along Savannah's beautifully restored waterfront, just a short distance from our hotel. You might choose to have dinner in one of the many seafood restaurants located here along the waterfront. Overnight in Savannah, Georgia.

Day 5 - OLD SAVANNAH CITY TOUR - JEKYLL ISLAND - We meet our local guide this morning for our narrated tour of historic Old Savannah. Among the many things we'll learn about this special city is the legend behind the Waving Girl Statue. We will travel through the city's historic Waterfront district where we see the old converted cotton warehouses, now specialty shops and restaurants. This afternoon, we depart Savannah and head to Jekyll Island, a barrier island off the coast of Georgia. Jekyll Island became a winter retreat for the rich and famous in the 1880's when a group of wealthy millionaires bought the entire island for a playground. It is said that, "when club members dined together, one-sixth of the world's wealth was gathered." Our overnight accommodations will be in Jekyll Island, Georgia.

Day 6 - MILLIONAIRES VILLAGE - COLUMBUS, GEORGIA - This morning we meet our local guide for a narrated tram tour through "Millionaires Village." Here we get a glimpse of how the Rockefellers, Pulitzers, Goulds and Cranes lived and entertained during the Gilded Age before income tax. We overnight in Columbus, Georgia.

Day 7 - CALLAWAY GARDENS - WARM SPRINGS, GEORGIA - Today begins with a visit to beautiful Callaway Gardens. A guide will take us on a narrated tour through the park. We depart Callaway Gardens to make the short drive to the charming little town of Warm Springs, Georgia, where we will have time to browse through the shops for a few minutes before we enjoy a delicious included lunch. Just around the bend is the Little White House. President Roosevelt chose this beautiful site on Pine Mountain for his summer home and presidential retreat. We will have time to visit this simple six-room cottage and see the film entitled "A Warm Springs Memoir of Franklin Delano Roosevelt" at the Little White House Museum. We overnight in Marietta, Georgia.

Day 8 - HOME - This morning, we board our coach and head homeward, remembering the beauty we have seen in the cities, forts, plantations and harbors of the Old South. **Meals: 6B, 1L**

Here, fascinating history as well as the latest in fashion, the arts and architecture co-exist. And with eight million people, over 120 spoken languages, 150 museums, 18,000 restaurants and countless places to shop, New York City is the ultimate bazaar. Absolutely monumental, it is America's alpha city; the one by which all others are measured.

Day 1 - HAGERSTOWN, MARYLAND - Our educational adventure begins today as we travel through West Virginia and Maryland to our overnight accommodations in Hagerstown. Along the way, we will cross the Eastern Continental Divide and also travel on the route of the 200 year old National Pike, the original interstate for settlers of the Midwest.

Upon arrival, we will enjoy dinner (on

The most beguiling city in the world, New York City is an adrenaline-charged, history-laden place that holds immense romantic appeal for visitors. Wandering the streets here, you'll cut between buildings that are icons of the modern age - and where gazing at the flickering lights of the midtown skyscrapers, experiencing downtown or riding the Staten Island ferry, you really would have to be made of stone not to be moved by it all. Day 1 - HAGERSTOWN, MARYLAND - Our fun-filled adventure begins today as we travel through West Virginia and Maryland to our overnight accommodations in Hagerstown. GENERAL INFORMATION & TOUR CONDITIONS

Please read carefully before signing up for a tour, your reservation constitutes acceptance of our policies.

TOUR COST INCLUDES: A trip with Shockey Tours includes all transportation, lodging, tours, local guides, entry and admission fees, tour director, all sightseeing, bellmen and dining room tips for meals included in the itinerary, and luggage handling for one large suitcase per person. **Prices are per person, based on double occupancy.** All tour prices are based on rates known at the time our catalog is printed and expected to be in effect at the time of departure. **They are subject to increase without notice, if such rates change prior to departure.**

NOT INCLUDED IN TOUR PRICE: Meals and tips other than those specified in the itinerary, maids, waitresses, valet and laundry service, phone calls, room service, alcoholic beverages and items of a personal nature. Gratuities for cruises, local guides and Tour Director and Driver are not included. A recommended gratuity is \$4.00 per day per passenger for the Tour Director, and \$4.00 per day per passenger for the Driver. This should be done on an individual basis, not as a group.

RESERVATIONS: How far in advance do I need to make a reservation? We suggest that reservations be made as soon as your vacation schedule is known. Many people wait too long and are disappointed that the date they want has been sold out. Most festival tours have only limited departures and are sold out long in advance. We feel that you do yourself and Shockey Tours an immense favor by making your reservations as soon as possible. **How do I make a reservation?** 1) Select the Shockey Tour of your choice and the date that is most convenient for you. 2) Call our local number 502- 267-4007 or our Toll Free 1-800-633-4147 and confirm your reservation. 3) Mail your deposit check, made payable to Shockey Tours, within 10 days of making your reservation. Your seat will be guaranteed.

DEPOSITS: Deposits are due within 10 days after making your reservation. **Separate checks should be sent for each tour booked.** Please **DO NOT** send cash in the mail. **Balance is due within five days of receipt of itinerary and balance statement.**

LATE BOOKINGS: Our tour bookings are normally finalized 45 days prior to departure (with a few exceptions). However, there are some tours that we can still add to after it has been finalized, and we are happy to include you with the tour, if there is availability. In these situations, we must receive full payment with your reservation, plus a late booking fee of \$25 per person. Unfortunately, late bookings can also bring about tour increases, which Shockey cannot control. Increases can occur in any tour component that is booked late such as flights, hotel, cruises and event ticketing. Should these prices increase all information will be made available to the client, and Shockey will receive client approval prior to payment.

CANCELLATION OF OUR TOURS: Please help us avoid canceling our tours prematurely. We have made reservations for hotels, attractions and other suppliers that require contracts and deadlines for deposits and cancellations. Some of these are 90, 60, or 30 days prior to the date of service. If you are interested in a tour, do not wait until the last minute to call us to see if it is going. If too many wait, then obviously we run the risk of having to cancel due to lack of interest to honor our contracts.

ROOMMATES: Each person making a reservation is responsible for finding their own roommate. When confirming your reservation for a tour, you should inform us if you have a roommate. Persons making a reservation without a designated roommate will be billed at the single rate. If either you or Shockey Tours finds an acceptable person to share room costs, the cost of the tour will be reduced to the double rate and monies, if due, will be refunded to you. If a single room must be assigned because your roommate cancels (even at the last moment or while on tour), we must, of necessity, charge you the additional cost since the hotels make no allowances. If you prefer to have the privacy of your own room, you may do so for an additional charge as noted in our single price. **The single rate applies to rooms only and does not include two seats on the motorcoach.**

PICKUP LOCATIONS: In order to make your tour departure as convenient as possible, we pick up for our tours at the Yoki Buffet in Louisville, the Radisson Hotel in Clarksville, Indiana, the Wal-Mart in Frankfort and Marriott Griffin Gate Resort in Lexington. **Please arrive at the pickup**

location at least 15 minutes prior to departure time. For groups of 20 or more, we will pick up at the location of your choice in any of our departure cities. For group pickups in locations other than our regular cities, there will be an additional cost per person. When making your reservations, it is important to give the correct departure location. **No changes in pick-up locations will be accepted after the itineraries are mailed 30 days prior to tour departure as timetables are established at that time.**

LUGGAGE: How much luggage may I bring? For your convenience and to expedite movement, each tour participant is allowed **one (1) large suitcase**, not to exceed 22 x 10 x 30 inches in size and **not to exceed 45 lbs. in weight.** Your large piece of luggage will be taken care of for you. It will be taken to your room each evening and picked up each morning. In addition, each tour participant is allowed **one (1) carry-on piece of luggage** (such as an overnight case or similar small bag), that **you handle or carry-on yourself.** This carry-on piece of luggage must not exceed 18 x 12 x 8 inches and must be able to be stored under your seat or in the overhead compartment. Your carry-on bag must remain in your possession while traveling. Please note that due to limited storage space, we are unable to accept luggage that exceeds that specified size or weight limitation. Due to limited space, absolutely no hanging bags will be allowed. Although every precaution will be taken to protect your belongings, Shockey Tours cannot accept responsibility for loss or damage to baggage or belongings. We strongly recommend that you insure your baggage before leaving home. **Due to the fact that state licenses to carry concealed weapons are not recognized in all states, concealed weapons or weapons of any kind are not allowed on the motorcoach or in the luggage compartments. IMPORTANT: fly/cruise luggage policies section – Please take the time to understand the TSA regulations, found at <https://www.tsa.gov/travel/security-screening/whatcanibring> for carry-on & checked luggage. This will determine what you are allowed to pack and what you are allowed to bring back home with you when traveling.**

CLOTHING: How should I dress? We suggest that you travel as light as possible. Casual attire in wash and wear fabrics travel best. Slacks are very acceptable for ladies and sport shirts for gentlemen. Dress-up clothes are necessary only for shows or specific occasions listed in the itinerary. Easy walking shoes are a must and don't forget your umbrella or raincoat in case of showers. **You should always take a sweater or jacket to use on the coach and comfortable walking shoes are a must for any tour.**

GROUP COURTESIES: Please be mindful of your fellow passengers and Shockey staff. Group travel is a wonderful alternative to individual travel. Shockey seeks to provide a safe, clean environment for all of our travelers. It takes everyone in the group to make for a good tour. We ask that everyone be kind and courteous and keep on schedule. Please listen carefully to the Tour Director and/or Local Guide for instructions. We ask that everyone be able to keep up with the group. We reserve the right to refuse or discharge anyone we feel would be disruptive to the trip or harmful to themselves or others.

MEDICINES: If you are taking prescription medications, be sure to take enough to last the duration of the tour. Sometimes it is very difficult to get a prescription refilled while en route. We highly recommend that you carry all medications in your purse, pocket or in your personal carry-on, not in your suitcase. It would be wise to have in your possession a list of all medications you are currently taking in case of an emergency. The coaches are not equipped to store medications that need refrigeration.

PHYSICAL DISABILITIES: Any disability requiring special attention or treatment or hotel accommodations should be reported to Shockey Tours when the reservation is made. We will request but cannot guarantee a handicapped room. Foldable wheelchairs and walkers are allowed on the tour, but must be stored in the luggage bays underneath the motorcoach. Wheelchairs and walkers are not provided by Shockey Tours. Passengers intending to bring a foldable wheelchair or walker should notify Shockey Tours at least 24 hours prior to departure. Unfortunately, the driver is unable to provide individual assistance to guests for walking, wheelchairs, or other personal needs. Travelers needing assistance must be accompanied by an able traveling companion who can assist them. Some of our tours include

attractions at high elevations; please consult your physician about possible health effects.

DELUXE MOTORCOACHES: Shockey Tours uses only the most modern deluxe motorcoaches available. They are climate-controlled, have comfortable reclining seats, foot rests, overhead storage racks, restrooms, public address systems and large viewing windows. All of our motorcoaches have video systems for your added touring pleasure. We try at all times to take the most popular and scenic routes so that travel itself becomes an enjoyable part of your vacation. There is never any straight through or overnight traveling. All passengers are insured while traveling aboard Shockey Tours' motorcoaches.

SEAT ROTATION: In order that everyone can enjoy a variety of views and have exposure to meeting other people on the tours, we rotate seats daily in a clockwise direction on all multiple day trips. One of the front seats is reserved for the Tour Director and will not rotate. **In order not to show partiality among passengers, there can be no exceptions to our seating plan.**

COMPREHENSIVE ITINERARIES: Shockey Tours researches and plans each itinerary to include the "must see" sights of a given area as well as the little known, off the beaten path places that become the most memorable part of your experience. We try to insure that you have an exciting, fun, educational, and the most comprehensive and enjoyable travel experience you've ever had! **Shockey Tours reserves the right to change or modify the itinerary in order to provide a smooth operation and insure a successful tour. Should an attraction become unavailable during the year, we will substitute one of equal or better value. Occasionally an attraction will be changed for the sole purpose of improving the tour.**

FULLY ESCORTED: Shockey Tours employs a trained professional Tour Director to stay with you throughout your tour. He/she will handle all the details that make for worry-free traveling every day. Your Tour Director will point out areas of interest, keep you informed on the history of each area, share in a joke, a song, or a game and make your ride on board the coach a pleasant experience.

DEVOTIONS: We begin each morning of our tour with a prayer. Whenever we are unable to attend church on a Sunday, the Tour Director will conduct a short, non-denominational devotion on board the coach while in transit.

PROOF OF CITIZENSHIP: It is now necessary for all motorcoach passengers to have a valid passport to enter Canada. A driver's license is no longer acceptable. Grandparents traveling into Canada with children must bring notarized written documentation of permission from custodial parent.

WAITING LISTS: We take waiting lists on all tours, since we do have frequent cancellations. If the tour you request is filled, then we recommend that you sign up as a stand-by. You will then be placed on our waiting list and as soon as a vacancy occurs, you will be automatically placed and notified that you are confirmed on the tour. All vacancies will be filled from the waiting list in the date order in which they were received.

QUALITY ACCOMMODATIONS: Hotels are selected and continually monitored for their location, comfort, hospitality and style. Careful planning, research and experience are woven into the choice of each hotel. We maintain tight quality control on all our lodging accommodations so that your overnight stays will be an enjoyable part of your tour. As a rule, we request non-smoking rooms, but due to availability, we cannot guarantee that the hotel will honor these requests, since many hotels have gone to an entirely smoke-free environment.

RESPONSIBILITIES: All tours are arranged and operated by Shockey Tours, Inc., by authority granted them by the Interstate Commerce Commission License Number 178716. Shockey Tours, Inc. acts only as your agent in arranging and sponsoring the various accommodations that are made available, and assumes no responsibility nor liability in connection with the services rendered by any vessel, carriage or other conveyance, excursions, sightseeing events, restaurants, hotels or motels or any other accommodation, event or equipment used in the performance of the tour. CANCELLATION POLICY: We at Shockey Tours understand that at times, due to uncontrollable circumstances, it may become necessary to cancel a tour. In the event that cancellation does become necessary, the following policies will apply:

- 1) Shockey Tours will have to charge any non-recoverable expenditures made on behalf of the participant at the time of cancellation. These costs would be for tickets, meals, hotels, etc. Hotels require a rooming list and full payment 60 to 45 days prior to arrival and show tickets are often purchased 60 days in advance. Many times, these monies are entirely non-refundable. In addition to any non-recoverable expenditure, there will be a \$10 per person handling fee to cover the cost of postage, processing fees, faxes and long-distance telephone expenses. Cancellations made less than ten (10) business days prior to departure will be subject to the entire cost of the tour, if a replacement cannot be found. Once the tour departs, no refunds will be made. Refunds are not given for any meals or attractions, etc, in which the travelers does not participate while on tour.
- 2) **Please note that we are unable to transfer funds to another tour if non-recoverable expenses and charges have been made on your behalf on the tour you originally reserved.**
- 3) Please allow sufficient time after the tour returns to audit all hotel and attraction charges. At that time, we will make every effort to return any monies possible. If you have not received your refund 30 days from the return date of the tour, please call our office.
- 4) Refund of monies paid on airline, cruise or train tours will be made in accordance with the policy of the specific conveyance.
- 5) No refunds will be made for cancellations or other service interruptions due to the weather or other factors beyond Shockey Tours' control.
- 6) **In certain instances Shockey may cancel a tour. When this occurs our travelers have the choice to either transfer their deposit to another tour or receive a full refund. Please note tour deposits are paid directly to hotels. Shockey's process for these refunds is 30 days.**

No exceptions will be made regarding our refund policy. For this reason, we recommend travel protection.

TRIP CANCELLATION INSURANCE: We at Shockey Tours recognize the need to protect your health, property and trip investment. Therefore, we have partnered with Trip Assure, which offers a Protection Plan specifically designed for our tours. We strongly encourage you to purchase this cancellation and trip interruption insurance, which will protect you, should it become necessary to cancel or leave your scheduled tour. If you have no pre-existing conditions, you may purchase the insurance at any time.

No exceptions will be made regarding our refund policy. For this reason, we recommend travel protection.
