AIRLINE TOURS

As another year dawns, we here at Jefferson Tours and Charters have done our best to bring you a great new variety of airline tours. These are all so great it may be hard to pick just one. Browse through our exciting array of air tour programs and pick the ones you fancy. Then call our office and make your reservation! Our office staff can answer any questions you may have. Plan ahead and reserve your space for an enjoyable year of touring in 2021!

Remember, airline tours must be booked early!

When making a decision on one of our air programs, please bear in mind the following important points:

- **Early reservations are a must**, since the airlines require a ticket list and final payment 90 days prior to departure. Overseas hotels and tour operators insist on finalized arrangements between 90 to 125 days prior to departure.
- **A valid passport booklet is required for all airline tours that go outside of the United States. Passports must be valid for six (6) months beyond the travel dates.** Some overseas countries require a visa. When you make your reservation, our staff will let you know what is required. Because passport applications can take six-to-eight weeks to process, we recommend applying for a passport as soon as you make your tour reservation. **NOTE: The passport card cannot be used for international air travel.**
- **Be sure to make your reservation using your legal name exactly how it appears on your passport.** This information is used when purchasing airline and cruise tickets. Some airlines may not permit passengers to board if their ticket does not match their passport exactly.
- **Cancellation penalties for airline tours are often early and very strict. In many cases, the tickets are completely non-refundable.** Travel insurance should be a major consideration when you select an airline tour. It's a wise move to protect your trip investment and to ensure peace of mind while away from home so that you can really relax and enjoy yourself. Refunds of monies paid on airline tours will be made in accordance with the policy of the specific conveyance. **No exceptions will be made regarding our refund policy. For this reason, we recommend purchasing travel insurance to protect your investment.**
- Due to limited storage space aboard the motorcoach we use for the land portion of the tour, luggage is limited to one large suitcase per person and one small carry-on piece of luggage that you handle yourself.
- **Physical Disabilities:** Please note that the Americans with Disabilities Act (ADA) is not valid outside of the United States. Unlike the United States, many countries do not legally require accommodations for persons with disabilities and handicapped rooms are limited. Please note that many international tours require frequent walking on cobblestone streets.
- Airlines continue to add fees and/or cut services for air travel. These fees include checked baggage fees, weight restriction surcharges for checked bags, charging for meals, snacks and beverages, etc. Unfortunately, we have no control over their implementation. **Any airline fees/charges are the responsibility of the individual traveler and not that of Jefferson Tours and Charters. We always request seats for spouses and traveling companions to be next to each other, but unfortunately we are unable to guarantee these requests, due to airline policies and limited seat assignment inventory.**

GENERAL INFORMATION & TOUR CONDITIONS

Please read carefully before signing up for a tour. Your reservation constitutes acceptance of our policies.

TOUR COST INCLUDES: A trip with Jefferson Tours and Charters includes transportation, lodging, tours, local guides, entry and admission fees, tour director and sightseeing, dining rooms tips for meals included in the itinerary, and hotel luggage handling for one large suitcase per person. **Prices are per person, based on double occupancy.** All tour prices are based on rates known at the time our catalog is printed and expected to be in effect at the time of departure. **They are subject to increase without notice, if such rates change prior to departure.**

NOT INCLUDED IN YOUR COST: Meals and tips other than those specified in the itinerary, maids, valet and laundry service, phone calls, room service, alcoholic beverages, and items of a personal nature. **Gratuities for local step on guides and the Tour Director and Driver are not included. A recommended gratuity is \$4.00 per day, per passenger for the Tour Director and \$4.00 per day, per passenger for the Driver.** Gratuities should be extended on an individual basis, not by passing a bag around as a group.

RESERVATIONS: How far in advance do I need to make a reservation? We suggest that reservations be made as soon as your vacation schedule is known. Many people wait too long and are disappointed that the date they want has been sold out. Most festival tours sell out long in advance. We feel that you do yourself an immense favor by making your reservations as soon as possible. **How do I make a reservation?** 1) Select the Jefferson Tour of your choice and the date that is most convenient for you. 2) Call our local number (502) 267-4007 or Toll Free (800) 633-4147 and confirm your reservation. 3) Mail your deposit check, made payable to Jefferson Tours and Charters, within 10 days of making your reservation. Your seat will be guaranteed.

DEPOSITS: Deposits are due within 10 days after making your reservation. **Separate checks should be sent for each tour booked.** Please **DO NOT** send cash in the mail. **Balance is due within five (5) days of receipt of balance and itinerary.**

LATE BOOKINGS: Our tour bookings are normally finalized 45 days prior to departure (with a few exceptions). There are some tours that we can still add to after it has been finalized. We are happy to include you with the tour if there is availability. In these situations, we must receive full payment with your reservation, plus a late booking fee of \$25 per person. Unfortunately, late bookings can also bring about tour increases, which Jefferson Tours and Charters cannot control. Increases can occur in any tour component that is booked late, such as flights, hotels, cruises, and event ticketing. Should these prices increase, all information will be made available to the client and Jefferson Tours and Charters will receive client approval prior to payment.

CANCELLATION OF OUR TOURS: Please help us avoid canceling our tours prematurely. We have made reservations for hotels, attractions, and other suppliers that require contracts and deadlines for deposits and cancellation. Some of these are 90, 60, or 30 days prior to the date of service. If you are interested in a tour, please do not wait until the last minute to call us to see if it is going. If too many wait, obviously we run the risk of having to cancel the tour due to lack of passengers booked to honor our contracts.

SAFETY MEASURES AND PRICING: At Jefferson Tours and Charters, the health and safety of our passengers and staff members is priority number one. We are implementing the strictest measures possible to create a hygienic, safe, and comfortable environment for our passengers. That includes disinfecting areas of frequent contact during and after trips, sanitizing the vehicles using an electrostatic sprayer, and implementing social distancing on our buses. Please note that due to social distancing, which results in fewer passengers attending each trip, you may see a slight increase in pricing per ticket.

ROOMMATES: Each person making a reservation is responsible for finding their own roommate. When confirming your reservation for a tour, you should inform us if you have a roommate. Persons making a reservation without a designated roommate will be billed for the single rate. If either you or Jefferson Tours and Charters finds an acceptable person to share room costs, the cost of the tour will be reduced to the double rate and monies, if due, will be refunded to you. If a single room must be assigned because your roommate cancels (even at the last minute or while on tour), we must out of necessity, charge you the additional cost since the hotels make no allowances.

If you prefer to have the privacy of your own room, you may do so for an additional charge as noted in our single price. The single rate does not include two seats on the motorcoach.

PICK UP LOCATIONS: In order to make your tour departure as convenient as possible, we pick-up for our tours at the Yoki Buffet in Louisville; the Radisson Hotel in Clarksville, Indiana; the Wal-Mart in Frankfort; and the Marriott Griffin Gate Resort in Lexington. For groups of 20 or more, we will pick up at the location of your choice in any of our departure cities. For group pick ups in locations other than our regular cities, there will be an additional cost per person. When making your reservation, it is important to give the correct departure location. No changes in pick up locations will be accepted after the itineraries are mailed, as departure timetables are established at that time.

LUGGAGE: How much luggage may I bring? For your convenience and to expedite movement, each tour participant is allowed one (1) large suitcase, not to exceed 22 x 10 x 30 inches in size and not to exceed 45 lbs. in weight. You must weigh and measure your bag after finishing your packing. Your large piece of luggage will be taken to your hotel room each evening and picked up each morning. In addition, each tour participant is allowed one (1) carry-on piece of luggage (such as an overnight case or similar small bag) that you handle or carry-on yourself. This carry-on bag must remain in your possession while traveling. Please note that due to limited storage space, we are unable to accept luggage that exceeds that specified size or weight limitation. Although every precaution will be taken to protect your belongings, Jefferson Tours and Charters cannot accept responsibility for loss or damage to baggage or belongings. We strongly recommend that you insure your baggage before leaving home. Please note that concealed weapons or weapons of any kind are not allowed on the motorcoach or in the luggage compartments.

CLOTHING: How should I dress? We suggest that you travel as light as possible. Casual attire in wash and wear fabrics travel best. Slacks are very acceptable for ladies and sport shirts for gentlemen. Dress-up clothes are necessary only for specific occasions listed in the itinerary. Don't forget your umbrella or raincoat in case of showers. You should always take a sweater or jacket to use on the coach and comfortable walking shoes are a must for any tour.

GROUP COURTESIES: Please be mindful of your fellow passengers and our staff. Group travel is a wonderful alternative to individual travel. Jefferson seeks to provide a safe, clean environment for all of our travelers. It takes everyone in the group to make for a good tour. We ask that everyone be kind and courteous and keep on schedule. Please listen carefully to the Tour Director and/or Local Guide for instructions. We ask that everyone be able to keep up with the group. We reserve the right to refuse or discharge anyone we feel would be disruptive to the trip or harmful to themselves or others.

MEDICINES: If you are taking prescription medicines, be sure to take enough to last the duration of the tour. Sometimes it is very difficult to get a prescription refilled while en route. We highly recommend that you carry all medications in your purse, pocket, or in your carry-on, not in your large suitcase. It would be wise to have in your possession a list of all medications you are currently taking in case of an emergency. The coaches are not equipped to store medications that need refrigeration.

PHYSICAL DISABILITIES: Any disability requiring special attention or treatment, or hotel accommodations should be reported to Jefferson Tours and Charters when the reservation is made. We will request but cannot guarantee a handicapped room. Foldable wheelchairs and walkers are allowed on the tour, but must be stored in the luggage bays underneath the motorcoach. Wheelchairs and walkers are not provided by Jefferson Tours and Charters. Passengers intending to bring a foldable wheelchair or walker should notify Jefferson Tours and Charters at least 24 hours prior to departure. Unfortunately, the driver is unable to provide individual assistance to guests for walking, wheelchairs, or other personal needs. Travelers needing assistance must be accompanied by an able companion who can assist them. Some of our tours include attractions at high elevations; please consult your physician about possible health effects.

DELUXE MOTORCOACHES: Jefferson Tours and Charters uses only the most modern deluxe motorcoaches available. They are climate-controlled, have comfortable reclining seats, footrests, overhead storage racks, restrooms, public address systems, and large viewing windows. All of our motorcoaches have video systems for

your added touring pleasure. We always try to take the most popular and scenic routes so that travel itself becomes an enjoyable part of your vacation. There is never any straight through or overnight traveling. All passengers are insured while traveling aboard Jefferson Tours' motorcoaches.

SEAT ROTATION: In order that everyone can enjoy a variety of views and have exposure to meeting other people on the tours, we rotate seats daily in a clockwise direction on all multiple day trips. One of the front seats is reserved for the Tour Director and will not rotate. **In order not to show partiality among passengers, there can be no exceptions to our seating plan. Please note that this policy is subject to change due to social distancing procedures and new safety precautions.**

COMPREHENSIVE ITINERARIES: Jefferson Tours and Charters researches and plans each itinerary to include the "must see" sights of a given area as well as the little known, off the beaten path places that become the most memorable part of your experience. We try to ensure that you have an exciting, fun, educational, and the most enjoyable travel experience you have ever had. Jefferson Tours and Charters reserves the right to change or modify the itinerary in order to provide a smooth operation and ensure a successful tour. **Should an attraction become unavailable during the year, we will substitute one of equal or better value. Occasionally an attraction will be changed for the sole purpose of improving the tour.**

PROOF OF CITIZENSHIP: It is now necessary for all motorcoach passengers to have a valid passport to enter Canada. A driver's license is no longer acceptable. Grandparents traveling into Canada with children must bring notarized written documentation of permission from custodial parent.

WAITING LISTS: We take waiting lists on all tours, since we do have frequent cancellations. If the tour you request is filled, then we recommend that you sign up on our waiting list. As soon as a vacancy occurs, you will be notified that you are confirmed on the tour. All vacancies will be filled from the waiting list in the order in which they were received.

QUALITY ACCOMMODATIONS: Hotels are selected and continually monitored for their location, comfort, hospitality, and style. Careful planning, research, and experience are woven into the choice of each hotel. We maintain tight quality control on all our lodging accommodations so that your overnight stays will be an enjoyable part of your tour. **As a rule, we request non-smoking rooms. Many hotels have gone to an entirely smoke-free environment. We will send in your special requests on our rooming list to the hotel, for example adjacent rooms, low floors, etc. However, due to hotel availability, we cannot guarantee the hotel will honor these requests.**

No exceptions will be made regarding our refund policy. For this reason, we recommend travel protection.

CANCELLATION POLICY: We at Jefferson Tours and Charters understand that at times, due to uncontrollable circumstances, it may become necessary to cancel a tour. In the event that cancellation does become necessary, the following policies will apply:

- 1) Jefferson Tours and Charters will have to charge any non-recoverable expenditures made on behalf of the participant at the time of cancellation. These costs would be for tickets, meals, hotels, etc. Hotels require a rooming list and full payment 60 to 45 days prior to arrival and show tickets are often purchased 60 days in advance. Many times, these monies are entirely non-refundable. In addition to any non-recoverable expenditures, there will be a \$10 per person handling fee to cover the cost of postage, processing fees, faxes, and long-distance telephone expenses. Cancellations made less than ten (10) business days prior to departure will be subject to the entire cost of the tour if a replacement cannot be found. Once the tour departs, no refunds will be made. Refunds are not given for any meals or attractions, etc, in which the travelers does not participate while on tour.
- 2) **Please note that we are unable to transfer funds to another tour if non-recoverable expenses have been made on your behalf on the tour you originally reserved.**
- 3) Refund checks will be processed at the end of each month. Please allow sufficient time after the tour returns to audit all hotel and attraction charges. At that time, we will make every effort to return any monies possible. If you have not received your refund 30 days from the return date of the tour, please call our office.

- 4) Refunds of monies paid on airline, cruise, or train tours will be made in accordance with the policy of the specific conveyance.
- 5) No refunds will be made for cancellations or other service interruptions due to the weather or other factors beyond Jefferson Tours and Charters' control.
- 6) In certain instances Jefferson Tours and Charters may cancel a tour. When this occurs, our travelers have the choice to either transfer their deposit to another tour or receive a full refund. Please note tour deposits are paid directly to hotels. Jefferson's process for these refunds is 30 days.
- 7) Please note that we do not refund credit card transaction fees for payments charged to credit cards. Sorry for any inconvenience.

No exceptions will be made regarding our refund policy. For this reason, we recommend travel protection.

TRIP CANCELLATION INSURANCE: We at Jefferson Tours and Charters recognize the need to protect your health, property, and trip investment. Therefore, we have partnered with Trip Assure, which offers a Protection Plan specifically designed for our tours. We strongly encourage you to purchase this cancellation and trip interruption insurance, which will protect you, should it become necessary to cancel or leave your scheduled tour. If you are interested in purchasing the insurance or have any questions relating to the insurance, please call our office at (800) 633-4147.
