### Why Purchase Travel Insurance?

Travel insurance helps protect you and the trip costs you've paid into your vacation or business trip. Because whether you are at home or on vacation, life happens – and that can affect your travel plans.

- You or your traveling companion may get sick and you have to cancel your trip.
- The airlines may lose your luggage en route to your destination.
- You may miss your flight connection and lose days on your trip.
- You could be in a foreign country and need emergency medical attention.

A good travel insurance plan provides coverage for all of these situations and more.
