

Travel Insurance Waiver Form

At Jefferson Tours and Charters, we recognize the importance of worry free get-aways. But, what if something prevents you from continuing your tour and you are miles away from home? It has happened. While it doesn't happen frequently, travel insurance protects you from the dreadful experience of paying for return home transportation, hotel accommodations, food, and medical costs, should you need it, out of your own pocket.

Protect yourself so you won't have to pay for things you didn't plan. Travel insurance, like the policies from Arch RoamRight, can provide peace of mind during your away time. There are a variety of plans available:

- Pro Plan
- Pro Plus Plan
- Cancel Flex Plan
- On Trip Plus Plan

Jefferson Tours and Charters recommends that you purchase insurance before traveling on any vacation. We have more information available on the levels and costs, so please ask how to purchase it.

However, if you choose not to purchase travel insurance, please understand that Jefferson Tours and Charters will not be held liable for your expenses and will not compensate you if you are detained from traveling at any point of your trip, including from the start, or at any point in between. You should also be aware that your personal insurance may not be accepted in some parts of the country or in foreign countries, like Canada where we occasionally travel .

By signing below, you agree to waive the travel insurance offered to you by Jefferson Tours and Charters.
